EDUCATION

Dr. Ram Manohar Lohia Avadh University <i>B.C.A - Bachelor of Computer Application - CGPA - 7.8</i>	2021 – 2024 <i>Ayodhya, Uttar Pradesh</i>
UP Board <i>Intermediate English Medium</i>	2020 – 2021 <i>Ayodhya, Uttar Pradesh</i>
UP Board <i>High School English Medium</i>	2018 – 2019 <i>Ayodhya, Uttar Pradesh</i>

EXPERIENCE

Intern at EvePaper <i>Role - Web Development Intern</i>	January 2025 - Current <i>Noida, Uttar Pradesh</i>
• Assisted in developing and maintaining responsive websites using HTML, CSS, and JavaScript. • WordPress theme customization and website management • Plugin installation and configuration • SEO optimization and content publishing	

PROJECTS

Movie Library App ↗ React.js , JavaScript , CSS , Vite	2026
• Developed a responsive Movie Library web application using React.js to browse and search movies dynamically. • Managed movie data using a local JavaScript array (<code>film.js</code>) to simulate API-like functionality. • Created reusable React components and used React Hooks for efficient state management and smooth UI performance.	
Todo List App ↗ React.js , JavaScript , HTML , CSS , Local Storage	2025
• Developed a responsive Todo List web application using React.js to manage daily tasks efficiently. • Implemented full CRUD functionality (add, edit, delete tasks) with Local Storage for data persistence. • Used React Hooks for state management and improved UI interactivity. • Designed a clean, user-friendly UI using HTML and CSS to enhance usability and interactivity.	
A React Weather Application ↗ React.js , JavaScript , CSS , OpenWeatherMap API	2025
• Built a responsive weather application using React.js that displays real-time weather data. • Integrated the OpenWeatherMap API to fetch live temperature, humidity, wind speed, and weather conditions. • Implemented city-based search functionality with dynamic UI updates. • Optimized application performance and build speed using Vite and modern React best practices.	

TECHNICAL SKILLS

Languages: JavaScript, Java, PHP, SQL, HTML, CSS, C

Technologies: React, Bootstrap, Tailwind CSS

Developer Tools: VS Code, IntelliJ , Git , Github

CERTIFICATIONS

- C Programming - HCL Guvy
- Front End Development HTML - Great Learning
- Front End Development CSS - Great Learning
